

Capital Campaign Progress Report

School Heating System Project in Progress!

Feller Heating began installation of the new school heat pump HVAC system in mid-June. Funding for this project is coming from two sources: the Capital Campaign and the Woodard Fund. The Capital Campaign will provide about \$300,000 and Woodard Fund the additional \$250,000. This means we will be able to complete the project on schedule and without adding to the debt load of the parish.

Demolition has included removing the old radiators and the central flue.

Heat Recovery Ventilators, Condensing Units and the ventilating fan will be positioned on the roof. Heat pumps, ductwork and thermostatic controls will be installed in each classroom.

Photos of this project can be viewed from a link on the main page of the parish website:
www.assumption.org.

Other Capital Campaign News

- ❖ Church Roof & Stained Glass Windows – As presented in the Year Two Capital Campaign Update, the next project will be replacing the Church Roof and refurbishing the Stained Glass Windows. Additional funds will be needed to complete this task. Please visit the Capital Campaign Link at the Assumption Parish website www.assumption.org to read the Year Two Update.
- ❖ The enclosed statements are in two parts. The top part is for Stewardship & Debt Reduction donations from **January 1st - June 30th, 2016**. The second part is for the Capital Campaign from inception to June 30, 2016. Please contact Karen in the Parish Office if you have corrections or questions. The enclosed gold envelopes are for your Capital Campaign Contributions.
- ❖ Thank you for your dedication and generosity to the capital campaign. With these funds we are able to accomplish much needed maintenance and upgrades on our campus without adding to our current debt. Thank you for your prayers, sacrifice and faithful support of our parish and school.
