

April 2014

From the Capital Campaign Follow-up Committee:

Capital Campaign Progress Report

First Projects

We are reviewing bids now to initiate our first projects on the church and the school.

Quarterly Reports Planned

We are delighted with all of you who have already made commitments. We encourage you to continue your giving as you elected, monthly or weekly.

You will receive quarterly reports as to the status of your giving. To achieve our long-term goals and objectives we are counting on you to stay current with your gifts to the campaign.

New Quarterly Statements!

Included in this mailing are two statements of your contributions to Assumption Parish. These statements include information for the Capital Campaign as well as your Stewardship (Sunday Envelopes) and Debt Reduction contributions. In the future, these will all be on one statement, but we had to separate them for the first report because of the different start time for the Capital Campaign.

Please use the enclosed gold envelopes for your Capital Campaign contributions or go online to set them up automatically. Call Karen in the Parish Office if you have any questions. Thank you for supporting Assumption Parish!

There's Still Time

If you have not already made a commitment to the campaign, we prayerfully ask you to consider making a commitment now. To ensure campaign success it is important that all parishioners have the opportunity to make a commitment and support the campaign that will allow the Parish to accomplish multiple essential projects over the next 36 months.

Anything is Helpful

If you are unable to make a commitment at this time, we encourage you to contribute to the campaign in any way that you can. Remember, anything is helpful and we are all praying for God's blessings on this campaign and for all of our Parishioners.
