Registration & Member Information

On behalf of the staff and parishioners of Assumption Parish, **welcome!**

We are an active and growing parish. One of our greatest values is being a real, life-giving community. Every member is called to be an active part of the mission and ministry of the parish during this exciting time in the life of the Church.

We invite you, as an active member, to do two things:

- Find a place in our parish that nurtures and serves you in your faith development, *and*
- Find a way to serve others in our parish community and beyond, through the sharing of your time, talent, and treasure.

By filling out this form, you will receive important information and literature on ways you can become involved in the community. The data you provide will help the parish leadership better serve the needs of the community.

No registration data is released to outside agencies. Parish planning bodies have access only to aggregate data. Your name and contact information will be available to other members of the parish unless you request certain information to be unlisted.
