

# A New Solidarity with Creation Workshop: How Can we respond to *Laudato Si'*?

Pope Francis' encyclical, "*Laudato Si': On Care for our Common Home*", challenges all people of good will to care for the Earth and to care for the poor. Join us as we pray, learn and brainstorm ways to act on Pope Francis' call to "a new and universal solidarity" in shaping the future of our Earth.

Presented by Elizabeth Murphy, Program Associate at the Intercommunity Peace and Justice Center and member of the *Laudato Si'* Leadership team, a collaborative effort of parishes, schools and organizations in Western Washington who have come together to support one another in living out the vision of the encyclical.

Also Presenting:

Assumption Catholic School – Principal Dan Anderson and students serving as Classroom Creation Care Team Leaders share their activities.
