

Scriptural Funding Campaign Gears Up

We owe our beautiful Church, School and Campus to the Vision and Generosity of the many parishioners, past and present, who worked and sacrificed to provide us with this wonderful gift. As good stewards, it's our duty and privilege to protect and improve this heritage for future generations.

Our parish leaders carefully studied our needs, resources and options. After much serious discussion, we're embarking on a **Scriptural Funding Campaign**, which is a unique Campaign based on scriptural teachings, stewardship, truly sacrificial giving, extensive parishioner involvement and example leadership. We'll all be learning lots more about these.

You might wonder why this different type of fundraising campaign was chosen. These first four months our focus is more of a spiritual reflecting, especially on Scripture passages that refer to God's generous blessing his people – both of the past and the present. We're asked to consider what our grateful, personal response might look like. Only then will we be encouraged to make a monetary pledge for a period of three years. Another important aspect of this Scriptural Funding Campaign is its intentional effort to invite and encourage the participation of every member of the parish. This could be a valuable means to greater engagement of our parishioners in the life and ministries of this faith community.

It takes a village – or in our case a parish – to successfully pull off a task of this magnitude. The following parishioners have generously volunteered to serve in the following leadership capacities as the Campaign Cabinet. If you have questions or can help in any of these areas, do contact them. Everyone's help is really needed and appreciated!

Campaign Directors	Chris & Bill Attebery, Kathy & Ron Delbecq
Campaign Advisor	Hal Henkel
Support Services Directors	Edna & Eugene Arthurs, Nick & Mary Mele, Rob Thyen, Dan Parsons
Graphics Directors	Belen & Giovanni Saturay, Rik Dalvit & Chris Craven, Pau & Cari Atwell
